Weather permitting Monday, June 28, 2010, Phase I of “Pavement Replacement” will be performed on Boyd Street between Barkley Street and Oklahoma Avenue. This work will require the street to be closed for the public and worker safety. Residents residing in the construction area will have access maintained however delays can be expected. The recommended detour route will be Oklahoma Avenue, Brooks Street, and Barkley. Detour signs will be placed to direct the traveling public. Please direct any questions to the Street Division at 329-2524.
